In particular, myLotto24 shall be entitled immediately to suspend a Player Account and a Player's use of the Web Site if myLotto24 believes that:
- a) the Player:
 - i. has provided false or misleading information as part of or in connection with his Player Account or otherwise in connection with the Web Site and the Products or services available through it;
 - ii. is involved in any fraud-related activities;
 - iii. is in breach of any other material provision of these Terms;

- 5.2 During the period of any suspension of a Player Account:
- a) Player will be prevented from accessing or using that Player Account; and

- b) myLotto24 may investigate the event that gave rise to the suspension of a Player Account and myLotto24 will be entitled (but shall not be obliged) to require that the relevant Player provides all such Valid Identification Documents as myLotto24 reasonably requires.
- 5.3 Should myLotto24 determine, in its reasonable opinion, that the event giving rise to suspension has occurred, myLotto24 will be entitled to terminate and close the Player Account in question. In this case, myLotto24 will notify Player by e-mail and will be entitled to withhold any balance on the Player Account (including Winnings). If the Player Account has been kept by a Player who is under 18 years of age, any funds deposited into the Player Account by Player, less the amount of any Winnings withdrawn from the Player's Player Account, will be returned to that person's Payment Account.
- 5.4 Should myLotto24 determine, in its reasonable discretion, that the event giving rise to suspension has not occurred, the suspension of the Player Account will be lifted and the Player may recommence using the Player Account.
- 5.5 Without prejudice to myLotto24's rights to suspend and/or close a Player Account pursuant to Conditions 5.1 and 5.3, myLotto24 may also close any Player Account upon giving the Player prior notice by e-mail. In such circumstances, myLotto24 shall (as soon as reasonably practicable) refund the balance held on the Player Account to Player (using the Payment Account details provided to myLotto24 by the Player).
- 5.6 myLotto24 may further terminate and close a Player's Player Account if a period of two years has elapsed since the Player last logged-in to the Player Account. In this case and provided that there is a balance held on Player's Player Account, myLotto24 will endeavour to contact the Player before closing his Player Account by sending two e-mails to request that the Player provides Payment Account verification for the transfer of any remaining balance on Player's Player Account. If no Payment Account verification is received by myLotto24 within four weeks of the sending of the second e-mail then: (i) the relevant Player shall cease to be entitled to claim any such remaining balance (including any Winnings); and (ii) myLotto24 shall be entitled to withdraw the unclaimed balance (including Winnings) and retain such funds for its own use.

6 Payments

- 6.1 myLotto24 will not accept Bets from Player if Player's Player Account contains insufficient funds for the Stakes or if the Stakes are not paid when the Bet is placed.
- 6.2 Players may pay money into their Player Account by Credit Card or other means as myLotto24 may approve from time to time.

- 6.4 Payment by other means - Where myLotto24 agrees to accept payment by means other than those set out in Conditions 6.2 and 6.3, details will be made available on the payment section of the Web Site, together with any rules, restrictions and fees.
- 6.5 If a payment by the chosen means of payment is returned, myLotto24 may refuse to receive further payments by this respective means of payment.
- 6.6 If the payment to myLotto24 of any funds requested to be credited to Player's Player Account is stopped, returned or otherwise not completed for any reason, or if any such payment is subsequently cancelled or discovered to have been the subject of any theft or fraud, myLotto24 shall be entitled to immediately deduct any amounts credited to that Player

Account in respect of the payment, together with any reasonable charges incurred by myLotto24 with respect to any such payment.

- 6.7 Any monies deposited by Player in his Player Account with myLotto24 shall not accrue any interest. They are held in a bank account in the name of myLotto24, which is separate from the accounts used by myLotto24 for its corporate funds. Monies deposited with myLotto24 receive basic protection according to the British Gambling Commission, i.e. monies deposited by Player are kept in accounts separate from business accounts of myLotto24, but they would form part of the assets of the business in the event of insolvency and may therefore not be protected in full in the case of insolvency. More information on the extent to which monies deposited by Player are protected can be found at www.gamblingcommission.gov.uk/Consumers/Protection-of-customer-funds.aspx.
- 6.8 myLotto24 shall be entitled to deduct from Player's Player Account any additional charges reasonably incurred by myLotto24 as a result of the actions of Player or in carrying out Player's instructions, including, but not limited to, payment charges.

7 Payment of Prizes

- 7.1 Subject to Condition 9.20.6, myLotto24 shall automatically credit Prizes to Player's Player Account provided that the Prize won by Player does not exceed a certain limit, as determined by myLotto24 in its sole discretion from time to time. For any Prizes in excess of this limit, myLotto24 will contact Player to arrange payment of the applicable Prize to Player's Payment Account. Player may use Prizes as Stakes for future Bets.
- 7.2 Subject to Condition 7.3, Player may request at any time that Prizes credited to his Player Account be paid out to him. A payout of any amount deposited in the Player Account which has not been used as Stakes may generally not be requested by Player. For security reasons and for the prevention of money laundering, a payout will only be made to an account in Player's name. If Player provides Credit Card/Payment Accounts details relating to a Payment Account held jointly with another person, he accepts that Prizes won by him may be paid into that joint Payment Account. Before payout of Prizes, Player accepts that he may be required to supply additional appropriate identification document of the person jointly holding the Payment Account.
- 7.3 For security reasons, myLotto24 reserves the right only to credit Prizes to Player's Player Account and/or transfer Prizes to Player's Payment Account after having received the following information from Player: (i) copies of a Valid Identification Document or other means of verification matching the name, date of birth and residential address registered with myLotto24 at the time of the request for the payout; and (ii) in the case of transfers to Player's Payment Account, a written instruction from Player setting out the details of the account the funds are to be transferred to. For Prizes in the myLotto24 Game Cash4Life myLotto24 further reserves the right to verify or appoint a third party to verify that Player is still alive. If Player fails to supply, and/or myLotto24 fails to receive, copies of those documents on request by myLotto24 within a period of 90 days (receipt by myLotto24) after announcement of the winning, then Player is not entitled to claim the Winnings as set forth in Condition 12.1.1e).
- 7.4 Prizes are tax-free in many countries. Any applicable taxes, duties or levies on Prizes or Stakes shall be charged to and paid by Player.

SECTION B –TERMS RELATING TO BETS ON LOTTERIES

9 Bets on the Lotteries

Unless otherwise specified below, the following general provisions apply to Bets on Lotteries:

- 9.1 Draw days of the relevant Lottery will be displayed on the Web Site of the respective myLotto24 game.
- 9.2 Valid Bets will be placed on the next relevant draw that takes place, provided that they are placed before the relevant cut-off time for that draw. The cut-off time for placing Bets on each draw of a Lottery will be displayed on the Web Site for Players at the time they place their Bets. It is up to Player to ensure that the Bet is placed before the relevant cut-off time. A Bet placed after a draw has actually occurred will not be valid for the draw that has already occurred, irrespective of any automatic confirmation that may be generated via e-mail or the Web Site, but will be deemed a Bet to the next draw. A Bet placed after a draw has occurred will further be invalid for this draw if it has been placed before a cut-off time of a relevant draw that is displayed incorrectly on the Web Site.
- 9.3 If a Lottery foresees multiple draws on the same day/date, then unless otherwise specified by myLotto24 on the Web Site, Player's Bet will apply only to the main draw taking place on that day/date (or, where no 'main' draw takes place, the first draw) and not to any other draw made by the Lottery in question.
- 9.4 If a Lottery draw does not take place or no draw result is published or officially announced, all valid Bets on that draw will stand for the rescheduled draw (or, if there is none, the next available relevant draw).

9.5 Multi-draw Bets and subscription Bets

9.5.1 Multi-draw Bets

Depending on the myLotto24 Game, Player may be able to place Bets on individual or all draws within a specified period or on a specific number of draws respectively.

9.5.2 Subscription Bets

By picking the 'subscription Bet' box, a Player may be able to automatically renew selected Bets. After the expiration of the initially selected period or number of draws, the Bet is automatically renewed for successive periods of the same duration or same amount of draws respectively, provided that Player has not cancelled the subscription Bet on the Web Site under section 'My bet slips' prior to the end of the then-current period or draws respectively.

9.6 The total Stakes payable by Player for the relevant myLotto24 Game shall be determined by the number of betting boxes and numbers, the draw day and the amount of draws chosen by Player. Stakes shall be displayed on the respective bet slip at the time when a Bet is placed.

9.7 If a Player wishes to bet on the outcome of a Lottery, he must click the 'Pay now' or a similarly named button. Player must be sure, and is solely responsible for ensuring, that all elements of the bet are correct: once the order is submitted by clicking the button and therewith confirming the placement of the Bet, it cannot be cancelled or amended in any way by Player. Stakes will then be debited from Player's Player Account or by any other means of payment accepted by myLotto24 and selected by Player. Stakes for multi-draw Bets and subscription Bets are charged in advance at the beginning of the relevant period for all draws selected for the desired period. The contract between Player and myLotto24 on the placement of a Bet is considered concluded when myLotto24 notifies Player by e-mail that the Bet has been accepted. The notification includes all information relevant to the contract concluded between Player and myLotto24 in respect of the placement of the Bet.

9.8 If myLotto24 declines the acceptance of a Bet, the relevant Stakes shall be refunded.

9.9 Results (including Quota of myLotto24) of the respective Lottery can be checked on the webpage of the respective Lottery operator or on the Web Site under section 'Lotto Results'.

9.10 Unless specified otherwise below, only one Prize can be won per Bet, which will be the highest of the available Prize Categories achieved by, and relevant to, that Bet.

9.11 The probability of winning or approximate winning for each Bet will be made available to Player on the Web Site under section 'Probability of winning'.

In addition, the following special provisions apply to the specific myLotto24 Games outlined below:

9.12 The Lotto – Description and Winnings

9.12.1 'The Lotto' is a myLotto24 Game based on Irish Lotto, which is a state controlled lottery managed and operated by the members of PLI ('Lottery Irish Lotto'). Lottery Irish Lotto involves a random draw of six numbers, selected from the numbers 1 to 47 ('Number') plus one 'bonus number', selected from the remaining 41 numbers immediately after the 'Numbers' have been selected.

9.12.2 If a Player wishes to bet on the Lottery Irish Lotto, he selects on a The Lotto Virtual Bet Slip the number of draws and the number of betting boxes that he wishes to bet. There are 14 betting boxes on a The Lotto bet slip, and at least one box must be completed. Each betting box completed is treated as a separate Bet. For each betting box, six Numbers are to be selected. Numbers in the betting boxes may be selected by Player himself or by a random generator.

9.12.3 The Prize payable by myLotto24 in respect of each myLotto24 Winning Bet in Prize Categories 1 and 2 in respect of each draw of Irish Lotto will be calculated by myLotto24 as follows:

- a) If PLI has announced at least one Irish Lotto Winning Tickets in Prize Category 1 or 2, the Prize payable in respect of each such myLotto24 Winning Bet shall be equal to the Quota as announced by PLI for that particular Prize Category multiplied by the number of Irish Lotto Winning Tickets in this Prize Category, divided by the total number of Irish Lotto Winning Tickets and the myLotto24 Winning Bets for the relevant draw of Irish Lotto.
- b) If PLI has announced no Irish Lotto Winning Tickets in Prize Category 1 or 2, the Prize payable in respect of each myLotto24 Winning Bet in one of those Prize Categories will be calculated by myLotto24 on the basis of the aggregate amount paid for tickets for the relevant draw of Irish Lotto announced by PLI and its allocation to the winning Prize Categories and will therefore be equal to the amount that myLotto24 assumes PLI would have paid out to a Irish Lotto Winning Ticket in the respective Prize Category if there had been one Irish Lotto Winning Ticket in the respective Prize Category, divided by the total number of the myLotto24 Winning Bets for the relevant draw of Irish Lotto.
- c) Examples for Prize Categories 1 and 2:

Example 1: There are two myLotto24 Winning Bets in Prize Category 1 and two Irish Lotto Winning Tickets announced by PLI in Prize Category 1 in respect of a Irish Lotto Jackpot of €10,000,000: the Quota payable to each of the Irish Lotto Winning Tickets would be half share of the Irish Lotto Jackpot, i.e. €5,000,000. Each myLotto24 Winning bet will therefore receive \$15,500,000 paid out in a 30-year annuity (case a)).

Example 2: There are four myLotto24 Winning Bets in Prize Category 1 and no Powerball Winning Ticket announced by MUSL in Prize Category 1 in respect of a Powerball Jackpot of \$100,000,000. myLotto24 decides to pay out Players of the myLotto24 Game Powerball in a lump sum: The Prize payable in respect of each

myLotto24 Winning Bet in Prize Category 1 would not be less than a one-quarter share of the Powerball Jackpot, i.e. \$25,000,000, reduced by an amount equal to the taxes an out-of-state winner of the relevant state lottery would have to pay which will be 38 per cent of the Prize and further reduced by 40 per cent for the payout in a lump sum. - 9.22.1. ‘Mega Millions’ is a myLotto24 Game based on Mega Millions which is a lottery managed and operated by MUSL (‘Lottery Mega Millions’). Lottery Mega Millions involves a random draw of five numbers, selected from the numbers 1 to 70 (‘Number’) plus one number selected from the numbers 1 to 25 (‘Megaball Number’).
- 9.22.2. If Player wishes to bet on the Lottery Mega Millions, he selects on a Mega Millions Virtual Bet Slip the number of betting boxes and the number of draws that he wishes to bet. There are ten betting boxes on a ‘Standard Bet Slip’; at least one of them must be completed. Each betting box completed is treated as a separate Bet. Each betting box consists of a Number box with 70 Numbers and a Megaball Number box with 25 Megaball Numbers. For each betting box, five of the 70 Numbers and one Megaball are to be selected. Numbers may be chosen by Player himself or by a random generator.
- 9.22.3. myLotto24 reserves the right, in its sole discretion, to pay Players of myLotto24 Winning Bets in Prize Category 1 their Winnings either in a 30-year annuity or in a lump sum, both credited directly to Player’s Bank Account. If myLotto24 decides to pay out Player in a 30-year annuity, Player will receive 30 variable instalments over 30 years, each slightly higher than the previous one. The total amount received by Player will differ depending on whether the Winnings are paid in a lump sum or in a 30-year annuity, as set out in Condition 9.22.4 below.
- 9.22.4. The minimum Prize payable in respect of each myLotto24 Winning Bet in Prize Category 1 in respect of each draw of Mega Millions will be calculated by myLotto24 as follows:
- a) If MUSL has announced at least one Mega Millions Winning Ticket in Prize Category 1, the Prize payable in respect of each myLotto24 Winning Bet in Prize Category 1 will not be less than the Quota as announced by MUSL for Prize Category 1 multiplied by the number of Mega Millions Winning Tickets in Prize Category 1, divided by the total number of Mega Millions Winning Tickets and the myLotto24 Winning Bets for the relevant draw of Mega Millions, reduced (i) by the amount of taxes that would have been payable by an out-of-state holder of a Mega Millions Winning Ticket in Prize Category 1 of the relevant state lottery, which will be 38 per cent of the Prize and (ii) if myLotto24 decides to pay the Winnings by way of lump sum only, by a further 40 per cent.
 - b) If MUSL has announced no Mega Millions Winning Tickets in Prize Category 1, the Prize payable in respect of each myLotto24 Winning Bet in Prize Category 1 will not be less than the amount that MUSL would have paid out to a Mega Millions Winning Ticket in Prize Category 1 if there had been one Mega Millions Winning Ticket in Prize Category

1, divided by the total number of the myLotto24 Winning Bets in Prize Category 1 for the relevant draw of Mega Millions, reduced (i) by the amount of taxes that would have been payable by an out-of-state holder of a Mega Millions Winning Ticket in Prize Category 1 of the relevant state lottery, which will be 38 per cent of the Prize and (ii) if myLotto24 decides to pay the Winnings by way of lump sum only, by a further 40 per cent.

c) Examples for Prize Category 1:

Example 1: There are two myLotto24 Winning Bets in Prize Category 1 and two Mega Millions Winning Tickets announced by MUSL in Prize Category 1 in respect of a Mega Millions Jackpot of \$100,000,000. myLotto24 decides to pay out Players of the myLotto24 Game Mega Millions in a 30-year annuity: The Quota payable to each of the Mega Millions Winning Tickets would be half share of the Mega Millions Jackpot, i.e. \$50,000,000 (before deduction of any relevant taxes). Therefore, the Prize payable in respect of each myLotto24 Winning Bet in Prize Category 1 would not be less than \$25,000,000, reduced by the taxes to out-of-state winners of the relevant state lottery which will be 38 per cent of the Prize, paid out in 30 instalments over 30 years. Each myLotto24 Winning bet will therefore receive \$15,500,000 paid out in a 30-year annuity (case a)).

Example 2: There are four myLotto24 Winning Bets in Prize Category 1 and no Mega Millions Winning Ticket announced by MUSL in Prize Category 1 in respect of a Mega Millions Jackpot of \$100,000,000. myLotto24 decides to pay out Players of the myLotto24 Game Mega Millions in a lump sum: The Prize payable in respect of each myLotto24 Mega Millions Jackpot, i.e. \$25,000,000, reduced by the taxes to out-of-state winners of the relevant state lottery which will be 38 per cent of the Prize and further reduced by 40 per cent for the payout in a lump sum. Each myLotto24 Winning bet will therefore receive \$9,300,000 paid out in a lump sum (case b)).

9.22.5. The aggregate of the Prizes payable by myLotto24 for Prize Category 1 on any draw of Mega Millions shall never exceed an amount equal to the Mega Millions Jackpot for the relevant draw of the Lottery Mega Millions, reduced by the deductions set out in Condition 9.22.4.

9.22.6. The Prize payable by myLotto24 in respect of each myLotto24 Winning Bet for the myLotto24 Game Mega Millions shall be in Prize Category 2 \$1,000,000, in Prize Category 3 \$10,000, in Prize Category 4 \$500, in Prize Category 5 \$200, in Prize Category 6 \$10, in Prize Category 7 \$10, in Prize Category 8 \$4 and in Prize Category 9 \$2.
